

Comrades,

Workers' Party Youth sends our solidarity to the FDJ following police attacks at your commemorative demonstration today.

It is typical and quite telling of the FGR authorities that they focus their attacks on the communists, and in particular on the FDJ as you remain opposed to the annexation of the GDR.

We send our best wishes to those injured during the attacks and hope that they have a speedy recovery.

In solidarity,  
Eoghan Gardiner  
Secretary  
Workers' Party Youth  
Ireland
